Faculty from Prior Review
(Reaffirmation review only)

Name of Institution: __North Carolina A&T State University_____

Academic Term(s) Included: _Fall 2008 and Spring 2009_____ **Date Form Completed:** 11/27/2020

We attest that the following current faculty members were actively teaching during this institution's last SACSCOC reaffirmation or initial accreditation review, and they were considered qualified at that time. Each faculty member on this form is teaching courses with the same content and on the same level as taught at the time of the prior review, and the curriculum has not changed significantly since that review. (Note: Terms for the current review are Fall 2019 and Spring 2020).

Chief academic officer — Date 1/20/21

Accreditation Liaison — Date 1/27/21

1 NAME (F, P)	2 PRIMARY TEACHING DEPARTMENT OR DISCIPLINE
Godfrey Uzochukwu (F)	Natural Resources and Environmental Design
NOTE: This responds to the teaching assignment of WMI 333 Waste Management. The WMI 419 Environmental Justice, course has been reassigned. He will no longer teach that course.	

F=Full-time; P=Part-time

NOTE:
If concerns arise during the reaffirmation review, the Reaffirmation Committee(s) may review the qualifications of all faculty members. The On-Site Reaffirmation Committee also reserves the right to review faculty files for any faculty.
